

Prioritized Insights Template

Google UX Design Certificate

Priority 0

1. Based on the theme that: **map option seems less useful**, an insight is: **there will be a new map screen, similar to nomadlist.com.**
2. Based on the theme that: **people are unclear about threat seriousness**, an insight is: **threats will be indicated using a bar.**

Priority 1

1. Based on the theme that: **people are unclear about threat seriousness**, an insight is: **distances will be shown in meters.**

Priority 2

1. Based on the theme that: **there will be many groups where people will feel lost**, an insight is: **there should be a search option.**
